

Written off bad debt in the last 5 years?

1

Submit bad-debts to our proprietary LawTech AI platform 24/7.

2

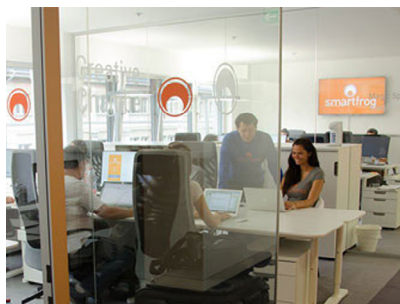

£1 is paid upfront plus up to 100% of whatever our solicitors collect.

3

There's no risk or outlay. And if we lose, we also we pay the debtors costs.

We will buy B2B bad debt invoices, even disputed ones, from just £1 upwards.

Our solicitors will then litigate them, at our cost and risk.

"As a large multi-national tech group, we have our fair share of unpaid debt. We were introduced to Caresso Law and successfully use their unique digital platform to recover tens of thousands of debts, and we can't recommend them highly enough."
